

FORM 'L'

[See Clause 30(2)]

ANALYSIS REPORT OF FERTILISER SAMPLE

No.
Governor of
(Name of the Laboratory)
Date

To,
The Fertiliser Inspector

.....

.....

The analysis report of the fertilizer sample forwarded vide your reference.....
Dated.....is as details given below:-

- (1) Name of fertilizer, grade and brand.....
- (2) Date of sampling.....
- (3) Serial No. of sample as indicated by the Inspector.....
- (4) Code No. of sample as indicated by the Inspector.....
- (5) Date of receipt of the sample in the laboratory.....
- (6) Laboratory sample No.....
- (7) Date of analysis of sample.....
- (8) Chemical analysis of fertilizer (on fresh weight basis except in the case of Urea on dry weight basis).....
.....

S.No.	Specification As per F.C.O.	Composition as per analysis	Variation	Permissible tolerance limit
1	2	3	4	5
(i)	Moisture			
(ii)	Total N			
(iii)	NH ₄ N			

- (iv) $\text{NH}_4.\text{NO}_3\text{N}$
 - (v) Urea N
 - (vi) Total P_2O_5
 - (vii) Nitrate Ammonium
Citrate Soluble P_2O_5
 - (viii) Citric Acid
soluble P_2O_5
 - (ix) Water P_2O_5
 - (x) Water soluble K_2O
 - (xi) Particle Size
 - (xii) Others
-

Remarks:-The sample is/is not according to specifications.
